

Our ref: GH/om

23 September 2011

To Whom It May Concern:

Monte Construction has carried out decoration works in our Mayfair office at 24 Curzon Street. Their workmanship in all aspects was of a high standard. We were impressed with flexibility, professionalism, responsiveness and adaptability. The works were carried out of hours so as to cause less disturbance to our business. We would recommend Monte Construction as an honest and reliable contractor to anyone interested in a quality job.

Kind regards,

Gary Hershman
